## SPOTLIGHT ON DUNKESWELL

# Deputy mayor loses his seat in shock election result

A SHOCK result in last week's town council election has seen Honiton's deputy mayor stripped of his seat.

John Zarczynski, a member of the council since his co-option in 2011, failed in his attempt to be re-elected after a surprise result was announced yesterday (Monday).

He was one of four serving councillors to lose their positions – with finance committee chairman Les Bayliss another high-profile casualty – as almost a dozen new faces were voted in.

While a significant shake-up was expected, Mr Zarczynski's defeat has come as a big surprise.

He won the fewest votes in the St Michael's ward, becoming the only candidate to miss out on a seat in the new council.

Speaking after the result was announced yesterday, he said: "I'm very disappointed not to be re-elected – but the voters have spoken."

"I've always done my best to be transparent and honest, and to do what I thought was in the best interests of the public."

"I've never been frightened to speak up when things were not right and, at the end of the day, I can walk down the High Street with my head held high. If I have made enemies I must have been asking the right questions."

As well as deputy to the mayor, Mr Zarczynski also served as chairman of the council's planning committee and played a key role in the completion of the Beehive community centre.

He was also involved in the council's Local Plan and Neighbourhood Plan project groups, while serving as a trustee of the Honiton United Charities or-

ganisation, supporting vulnerable people in the community.

Having failed to win re-election, Mr Zarczynski said he would double his efforts to help establish the 'Honiton 55+ Centre' as a facility for day care services in the town.

He added: "I wish to thank all those people that did vote for me, and I will now devote my time to my own

personal and business interests."

A fiercely contested local election saw 11 new candidates secure a place on the town council, with seven standing under a joint manifesto for 'change'.

Fresh faces Clare Melbourne, Sheila Edwards, Luke Harvey-Ingram, David Perkins, Julia Lake, Anne Mountjoy and Kim Smith were all elected to represent a new-look council, after fighting the election campaign together.

The group says it wants to take "the town and the council forward into a positive and united future", promising to make Honiton "a happier place to live, work and play."

They also promise to work for better sports facilities and improved care for older people, while supporting opportunities for youngsters and looking into a town lottery to fund new developments and charitable organisations.

In a pre-election message, Councillor Perkins said: "It's time for a fresh start with new faces. The council should be leading on the issues of the future not dwelling on the past."

"I would like to help in the restoration of this council so that it once again becomes a respected focal point for community affairs."

There were more new additions, with Ashley Alder, Ken Hopkins, Jill McNally and Graham Smith all securing positions.

Mayor Peter Halse held onto his seat, alongside current councillors John Taylor, Jackie Wadsworth, Henry Brown, Roy Coombs, Vera Howard and Caroline Kolek.

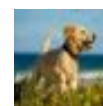

Les Bayliss, Les Lunt and Peter Corke were the other serving councillors to miss out on a seat.

## TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

### EAST DEVON

#### Hugo Swire elected for fourth term

**HUGO** Swire stormed to victory with an increased majority in last week's parliamentary election, as Ottery St Mary councillor Claire Wright fell short in her challenge for the East Devon seat.

Mr Swire, the constituency's Conservative MP since 2001, claimed a comprehensive fourth victory with more than 25,000 votes and a majority of 12,261.

Independent candidate Claire Wright's unlikely bid for parliament came to an end, despite an impressive second place and almost a quarter of the vote share – the strongest showing by an independent anywhere in the country.

## From the editor's chair No real threat to Tories

**THE** Tories retained control of East Devon District Council, albeit with a slightly reduced majority.

No surprises there then and we should congratulate all those who won a seat at last week's election.

A majority reduced from 25 to 15 seats will make little or no difference to the running of East Devon but we should not underestimate the performance from the Independents who between them grabbed 16 seats.

Although they failed to unseat too many of the big hitters with leader Paul Diviani, deputy leader Andrew Moulding, chairman Graham Godbeer and planning chairman Helen Parr, all retaining their seats, the East Devon Alliance did win 10 places on the council, the most successful challenge by a rival party since the council came into being in 1974. With the Lib Dems' six seats, down from 10, the Tories are unlikely to get it all their own way – and that's

good for local democracy.

One unacceptable part of the local elections was the failure of EDDC to announce the results of the town and parish elections until mid-morning on Monday. All the votes were counted on Saturday but not posted on the EDDC website.

A number of candidates were up in arms over this, describing it as an affront to the parishes. I tend to agree.

Neil Parish and Hugo Swire, as expected, retained their parliamentary seats for the Conservatives, but a word of congratulations here to Claire Wright, county councillor for Ottery St Mary, who polled more than 13,000 as an Independent without party machinery behind her.

I was personally disappointed that David Laws lost his Yeovil seat. I am not a Lib Dem but I thought he was a great constituency MP and always handled the press superbly.

*Philip Evans*

### SIDMOUTH

#### Council move to blame for Conservative defeats at district election, says Hughes

**CONSERVATIVE** councillor Stuart Hughes said East Devon District Council's handling of the Knowle site situation played a major role in the outcome of the election.

Councillor Hughes, the only surviving Conservative after the party lost six of seven seats across the three Sidmouth wards, said the relocation project should have been handled "far more transparently".

Speaking on the podium straight after it had been confirmed that he will be joined in Sidmouth/Sidford Ward by Independent East Devon Alliance councillors Dawn Manley and Marianne Rixson, he said: "The Conservative team is what I cast as a very strong team for Sidmouth/Sidford."

"For the people of Sidmouth, they had their say and they had their say in Sid Valley – and you've got to respect what the people say."

"There were a couple of issues here, the main one was how this whole issue of the Knowle was handled."

Following Thursday's district council elections, Sidmouth Town Ward saw a clean sweep by Independent candidates.

### SOUTH SOMERSET

#### David Laws defeated as Tories regain Yeovil seat after 32 years

**DAVID** Laws, MP for the Yeovil constituency since 2001, sensationally lost his seat to Conservative challenger Marcus Fysh in last Thursday's general election.

The schools minister was just one of a string of high profile Liberal Democrats to be beaten, with the party having its number of seats slashed from 57 to just eight.

In what was a terrible night for the Lib Dems, former leader Charles Kennedy, Business Secretary Vince Cable, Chief Secretary to the Treasury Danny Alexander and former deputy leader Simon Hughes all lost.

Mr Laws played a key part in negotiations with the Conservatives when the coalition was formed in 2010, and briefly served as Chief Secretary to the Treasury before an expenses scandal forced him to resign after only a few weeks in office.

The Yeovil parliamentary seat has been Liberal since Paddy Ashdown first took it from the Tories in the 1983 election for the then SDP-Liberal Alliance.

### HONITON

#### Deputy mayor loses his seat in shock election result

**A SHOCK** result in last week's town council election has seen Honiton's deputy mayor stripped of his seat.

John Zarczynski, a member of the council since his co-opted in 2011, failed in his attempt to be re-elected after a surprise result was announced yesterday (Monday).

He was one of four serving councillors to lose their positions as almost a dozen new faces were voted in.

While a significant shake-up was expected, Mr Zarczynski's defeat has come as a big surprise.

Les Bayliss, Les Lunt and Peter Corke were the other serving councillors to miss out on a seat.

### AXMINSTER

#### Back in local government after beating the mayor

**IAN** Hall returned to the political scene by winning the two-horse race for the Axminster Rural seat on East Devon District Council.

Conservative Hall beat Labour candidate (and outgoing Axminster mayor) Jeremy Walden by 1,065 votes to 403 to clinch the seat.

Councillor Hall had a 14-month spell on Axminster Town Council, which came to an end in April 2013 when he resigned over the town council's alleged "inadequate efforts" to investigate any local implications over a Cloakham Lawn planning issue. Mr Hall is one of the driving forces at Cloakham, having succeeded Mr Moulding as chairman.

In his victory speech last Friday he said: "It is a great, great humbling honour."

### SEATON

#### New candidate Marcus Hartnell tops polls for town and district council

**ALL** those seeking re-election to Seaton Town Council succeeded, but it was new candidate Marcus Hartnell who topped the polls with 2,020 votes.

The result wasn't made official until Monday morning because of delays at East Devon District Council, but it confirmed a remarkable double for the Seaton newsagent who also topped the polls for the Seaton Ward in the district council elections.

Pulman's View was unable to obtain comment from Mr Hartnell on Monday, but after his district triumph last Friday he said: "A big thank you to the people of Seaton. I'm a bit overwhelmed with the support they have given me, so not too much pressure to deliver – but I will certainly do my best."

It was always going to be a new-look town council as five members of the previous one decided not to stand, and there was also one vacancy at the previous council. A total of 14 candidates were vying for one of the 12 seats available.

# Voters stay blue

VOTERS in Honiton stuck to the town's 'true blue' tradition last week, as Conservatives swept to victory in both the parliamentary and local elections.

Incumbent MP Neil Parish was returned for a second term in the Tiverton and Honiton seat, doubling his majority to more than 20,000.

Mr Parish's dominant victory was one of 331 Tory successes across the country, as a surprise election result saw the party secure enough seats in parliament to form an overall majority.

And the Conservatives enjoyed similar success at the local level, winning all five of Honiton's district council seats.

Speaking at the count soon after the result was formally announced, Mr Parish thanked his supporters for their efforts during the campaign and pledged to work hard for Honiton during the next five years.

He said: "It is humbling because when you get a good majority and a good percentage of the vote, you know that people appreciate what you do - but you also know you have to do a good job."

"Irrespective of what political per-

suasion anybody is in the Tiverton and Honiton constituency, I look forward to working for them in this next parliament."

It was a long night for the five parliamentary hopefuls, who had to wait until just after 8am on Friday morning for confirmation of the result.

Mr Parish secured a total of 29,013 votes, ahead of UKIP's Graham Smith in second with 8,857.

Following a nationwide trend, the Liberal Democrats suffered badly in Tiverton and Honiton, where the party is usually the Conservatives' closest challenger.

Candidate Stephen Kearney slipped from second to fourth place, with a huge reduction of more than 22 per cent in the Lib Dems' share of the vote. Labour and the Greens both improved their share.

● IT WAS a similar story at the local level, as the Conservatives secured all five of Honiton's seats on East Devon District Council.

Former Mayor David Foster was elected in the Honiton St Michael's ward with 1,400 votes, and was joined by returning councillors Mike Allen

■ DAVID Foster and Phil Twiss (both Cons) are delighted to hear Acting Returning Officer Mark Williams read the result for Honiton St Michael's

and Phil Twiss.

In the Honiton St Paul's ward, John O'Leary and Dean Barrow were elected with strong majorities, completing a dominant night for the party's local candidates.

Councillor Foster said: "Thank you very much to the people who have put their ticks in the box for us. "We will try our best to represent their best interests."

"I wish all the newly elected candidates - and I mean all the newly elected candidates - the very best for the next four years."

Local UKIP candidates also replicated their parliamentary success. Their five district council representatives won a total of 3,042 votes - more than a quarter of the vote share - despite not securing any seats.

Surprisingly, Labour's Henry Brown was the Tories' nearest challenger in the St Paul's ward, missing out on an unlikely victory by fewer than 300 votes.

Overall, the Conservatives' majority at EDDC slipped from 25 to 15, with 10 Independent East Devon Alliance candidates elected.

■ John O'Leary and Dean Barrow (both Cons) are declared winners in Honiton St Paul's by Acting Returning Officer Mark Williams

## Put your old clothes to good use

HONITON'S Slimming World group is launching its annual Big Slimming World Clothes Throw. Everyone who would like to help raise funds to beat cancer, is invited to join in by bagging up and dropping off old clothes to raise money for Cancer Research UK.

Members of Slimming World groups have been bagging up the clothes they've successfully slimmed out of in preparation for the event and will be collecting bags of shoes, clothes and accessories as part of their weekly group sessions.

Sharon and Dawn, who run the weekly Slimming World, group, said: "Our members are so sure that they'll never need their 'big' clothes again, that when we told them about the Big Slimming World Clothes Throw they couldn't wait to bag them up and donate them to a good cause. I know we'll have a mountain of bags."

"We are inviting people in the area to join us by bringing in their unwanted items too. It's the perfect excuse to have a spring clean and make room for a whole new summer wardrobe. Each

bag of clothing could raise around £25 for the charity so it really is worth taking part!

"Last year our members collected around 50 bags, which contributed towards an incredible £1million worth of stock being donated to Cancer Research UK shops around the country."

"With the help of our members and the public, we're hoping to top that this year and raise even more money for Cancer Research UK to support their life-changing work to cure all 200 types of cancer."

Anyone who wants to support Cancer Research UK by taking part in The Big Slimming World Clothes Throw can visit the groups which take place on Tuesdays (5:30pm & 7:30pm) and Wednesdays (9:30am) at the Honiton Family Church.

Alternatively, until May 23rd, if you would like to donate clothes you can just drop them into the groups or to the local Cancer Research shop in Honiton, but don't forget to tell them that it's on behalf of Slimming World.

## Swim school nominated for national award

HONITON-based baby and toddler swim school Water Babies has been shortlisted for the 2015 British Franchise Association Awards (BFA) HSBC Franchisor Of The Year category).

Launched in 2002, Water Babies teaches around 42,000 children a week, also offering high-resolution digital underwater photography plus a range of retail products.

Water Babies co-founder Paul Thompson said: "We are so pleased to have been shortlisted as a finalist for this prestigious award."

"We work hard to provide each of our franchisees with all the support and encouragement they need to be a success and our spotless track record highlights this dedication to best practice."

"We are looking forward to the

next stage of the awards process and hope to impress the judges with our passion and enthusiasm for franchising the Water Babies way."

All finalists will present to a panel of industry experts in London on May 20th and 21st May.

The winners will be announced at a black tie dinner on June 25th in Birmingham.

## EDA would have won more seats in district only election, says chairman

THE East Devon Alliance (EDA) would have won even more seats on the district council had there not been a general election at the same time, according to the group's chairman Paul Arnott.

The Conservatives retained control of East Devon District Council with an overall majority of 15 seats. The Tories won 37 seats, three fewer than they held before last Thursday's polls.

EDA independents took 10 seats, with other independents winning six and the Liberal Democrats also winning six seats.

Despite their defeat in several areas, Mr Arnott said that EDA is here to stay, commenting: "From a standing start three months ago, the EDA has won 10 ward seats from the Conservatives, to sit alongside six other independents.

"In the end, the Tory bloc vote in the context of a national election meant that we just couldn't get everyone over the finish line. If this had been a district only election, as in 2011, the obvious passion of our support would have swept the field.

"We won well in the wards where Claire Wright

By Anders Larsson  
anders@tindlenews.co.uk

was standing for parliament and the idea of an independent councillor has a long tradition. It's been tougher in the east.

"We have two meetings planned in the next fortnight, and will be announcing our extensive future plans soon after."

EDDC leader Paul Diviani (Cons) held on to Yarty Ward, deputy leader Andrew Moulding (Cons) retained his seat for Axminster Town Ward, EDDC chairman Graham Godbeer (Cons) held on to his Coly Valley seat but vice-chairman Christine Drew (Cons) lost her Sidmouth Rural seat to independent David Barratt.

The number of people registered to vote in East Devon is 102,849.

An EDDC spokesperson said: "The overall turnout for the three-way election on Thursday was 71.7 per cent - around twice the average turnout for local elections in East Devon."

## Improvements to A35 rescheduled

IMPROVEMENT work to the A35 has already had to be rescheduled.

Less than two weeks ago, South West Highways and Balfour Beatty Infrastructure Services (SWH/BBIS) announced overnight closures between Honiton and Axminster and Axminster and Bridport.

According to the original timetable, work would already be underway - but last week a revised timetable was issued.

Overnight road closures will be put in place on the A35 between Axminster and Bridport from 8pm on Monday, May 18th until 6am on Thursday, May 21st.

The same thing will happen on the stretch between Honiton and Axminster from Tuesday, May 26th until

the morning of Tuesday, June 2nd, weekends excluded.

The work is weather-dependent, so the new timetable is also subject to change.

Access will be maintained for residents living within the closure, but this may only be from one direction depending on the actual location of the work.

A fully signed traffic diversion route will be implemented during the closure periods.

Additional information regarding access details for residents and businesses affected by the work is available on request by e-mailing connecta 30@balfourbeatty.com

**GUITAR HEROES** | A Honiton teenager is calling on music fans to show their support for some of the town's top young talent.

Shaun Summers, 18, is putting on a show-stopping event at the Beehive, featuring performances from some of Honiton's up-and-coming music stars.

Shaun, who is single-handedly organising the gig as part of his BTEC Music Performance course, will be taking to the stage with his own band, Sweet Delusion, during the show.

While preparing for his own performance, Shaun (pictured, left, with band mates Paul Davies and Dean Guest) is also in charge of planning the entire event – from selling tickets to switching on the lights.

And he is now appealing to all music fans for their support on the night, with just three weeks to go until the curtain is raised.

The show takes place at the Beehive on May 22nd,

and tickets are available from the venue or the Honiton Community College reception.

# Police appeal after spate of burglaries

A SUDDEN spate of burglaries in Honiton has seen several sheds and garages raided and a number of valuable items stolen.

Opportunist thieves have targeted a string of properties in and around Kings Road in recent weeks.

Police are now taking urgent action to control the crime spree, after recording a series of similar cases in the area.

Officers are appealing for members of the public to come forward with information, and warning residents to make sure their property is protected.

"Burglaries are often opportunistic crimes and it may only take a few minutes for a burglar to enter a property and steal valuable items," said PCSO Steve Mingo, from the Honiton Neighbourhood Police Team.

"Simple steps like keeping all windows and doors closed and locked, and ensuring spare keys are located in secure places can reduce the risk of being burgled."

The appeal follows a string of thefts from the same part of Honiton, with offenders targeting neighbourhoods around the town centre.

Shed burglaries have been recorded in Kings Road, Hale

Lane and Hill Crescent, while a garage in Pale Gate Close was also broken into.

Police believe power tools were taken from some of the properties, although several items have already been recovered.

The force is urging people to report any "suspicious behaviour or unusual activity" in the area, following the spate of incidents.

Anybody with information that can help officers with their investigation is encouraged to call the 101 non-emergency number and ask for the Honiton Neighbourhood Police Team.

In the meantime, police are advising residents to take a number of steps to protect their properties from further thefts.

PCSO Mingo advised residents to lock away all valuable tools, equipment and ladders, or register them to protect against theft.

He also recommended that property-owners fit padlocks to their doors, or grills to their windows, while investing in a security light or shed alarm.

For more information about property marking, call the 101 number or email [honiton@devonandcornwall.pnn.police.uk](mailto:honiton@devonandcornwall.pnn.police.uk)

# Ronnie celebrates his 100th birthday

ONE of Honiton Golf Club's longest-serving members has been honoured for his "remarkable" achievement, after reaching the landmark age of 100 last week.

Ronnie Pew, who has been involved with the club for more than 30 years, celebrated the milestone with friends and family during a special lunch at the clubhouse on Friday (May 1st).

Fellow members paid tribute to Ronnie's "wonderful achievement," presenting him with a series of engraved glasses, a dozen bottles of wine and a bouquet of flowers for his wife, Ann.

Ronnie, whose golfing career spans six decades, was also made

an honorary member for his years of commitment to the club, and invited to cut a special cake celebrating his landmark anniversary.

"I have been a member of many clubs during my life, but nothing quite like Honiton", said Ronnie, who played his first round at the club back in 1984.

"For 31 years I have been here – and I can see it improving all the time."

Born in 1915, Ronnie began his career as an aeronautical engineer, qualifying at the age of 22.

He went on to become a member of the Worshipful Company of Clockmakers, through which he

was granted the freedom of the City of London.

Despite his advancing years, Ronnie remains an active member at the club.

And dozens of members took to the course last Friday morning to take part in the 'Ronnie Pew Salver,' organised in his honour.

Later in the afternoon, club captain Stewart Slater welcomed more than 100 members to the clubhouse for a special lunch.

Club president Alec Gosling spoke of Ronnie's life and golfing achievements, before congratulating him on receiving a card from the Queen at the grand age of 100.

## NHS award for Rhian

A HEALTHCARE assistant at Seaton Hospital was victorious in the South West Health Apprenticeship Awards.

Rhian Carruthers beat more than 40 nominees to win the Intermediate Apprentice of the Year (Level Two) category.

The fifth annual awards were organised by Health Education South West, Skills for Health and the National Apprenticeship Service.

The awards tied in with National Apprenticeship Week, which celebrates apprenticeships and the positive impact they have on individuals and employers.

Richard Daulton, em-

ployer and delivery services manager for the National Apprenticeship Service, said: "Rhian's award is testimony not only to her apprenticeship achievement but also to the notable impact she has made within the Northern Devon Healthcare NHS Trust.

"Apprenticeships are proving to be a really practical and appealing way of recruiting and supporting the development of staff across a growing number of functions and departments of the Trust."

Darryn Allcorn, director of workforce and development for the Trust, said: "We are very proud of Rhian for her individual

achievements and were delighted to receive further recognition for our apprenticeship programme.

"Apprenticeships offer an excellent opportunity for individuals to gain on-the-job experience, develop skills and see how different departments work together in a large and complex organisation, and are an ideal launchpad for a career in the NHS.

"Our latest awards success reaffirms the benefits and opportunities these schemes can bring, and we are actively looking to further promote apprenticeships as part of our overall recruitment strategy."

■ **WINNER** | Rhian Carruthers is presented with her award by Stephen Waite, chief executive of Plymouth Community Healthcare

## Coffee morning raises £2,000 for the Nepal earthquake appeal

■ **FUNDRAISERS** | Susan Green and Carolyn Adkin.

AN impromptu coffee morning and bring & buy sale has raised over £2,000 for the Nepal earthquake appeal.

Susan Green and sister-in-law Carolyn Adkin, whose son Ross is working in Kathmandu, arranged the fund-raiser within days of the disaster and were taken aback by the turnout at St Michael's Church, in Beer.

"It was fabulous," said Mrs Green, who lives in Beer.

"People have been so supportive and generous and we are really chuffed with how much money we raised."

The total of £2,020 will be donated to the British Red Cross, who are active in helping the victims of the earthquake.

# Celebrating 50 years

A SEATON couple has celebrated 50 years of married life, husband and wife both saying they'd happily do it all again.

Kath and Jeff Taylor's Golden Wedding anniversary was on April 24th, and celebrations included lunch and dinner in Seaton and a week in Weymouth.

It all started in Dartford in the early 1960s, and Kath explained how by saying: "He was a baker's boy and used to come round with his big basket of bread every morning."

by Anders Larsson

Jeff quickly replied: "It was the only way her mum could get her out of bed, saying the baker's boy was around the corner."

They obviously liked each other and a date was arranged for 7:40pm on July 6th, 1962, when they visited Kath's grandmother and went for a walk.

Kath said: "I can't imagine any couples doing that today on a first date."

The couple worked for Royal

Mail and the Post Office respectively when they retired in 2004 and subsequently moved to Seaton – already being familiar with the area after having visited their daughter Vicky. Apart from Vicky, they also have Karen and Scott.

Kath and Jeff looked back on 50 years of married life concluded: "We'd do it all again."

Jeff added: "We are looking forward to the next 50 years."

Both thanked everyone who sent cards and good wishes for their Golden Wedding.

# Council backing for cafe's street licence

THE Malthouse in Seaton has town council backing in its quest for a street café licence.

An application for permission to create an external seating area has been submitted to Devon County Council (DCC).

As part of the application process, Seaton Town Council's planning committee was asked for its opinion.

The committee met on Monday, April 27th, and members supported the application.

Concern was expressed about the possibility of noise and trouble in general, but Malthouse management explained there had been no inci-

dents since the venue opened and it closes at 11pm to focus on eating guests.

Committee chairman John Meakin, for example, was supportive and said: "I'm minded to accept it as it stands, and I trust the applicants to police it themselves. If it gets out of hand they are in danger of losing their licence."

A DCC spokesperson explained that he application is for 22 chairs, three square tables and four round tables.

He added: "We are currently liaising with the applicant to ensure that the seating can be accommodated without causing an obstruction."

## Therapeutic benefits of art promoted at Axmouth event

CREATIVITY and cake were on offer at the recent "Ways of Seeing" event at Axmouth Village Hall.

The aim of the day was to celebrate visual creativity and give people the opportunity to learn more about the creative process.

A wide range of different types of artwork were on display from the eight artists who were involved with the event. Each artist also offered either a practical activity for visitors to try, or shared their individual creative approach in a series of "Meet the Artist" sessions throughout the day.

A mental health therapist was present as well, discussing the therapeutic use of all creative activities and giving first hand ex-

periences of different fun exercises that anyone can do to benefit their general wellbeing.

The day was well attended and enjoyed by those attending, who also tucked into a variety of cakes on offer.

This free event was organised and funded by the Spiral Centre, a non-profit organisation which aims to promote healing and wellbeing on all levels.

The Spiral Centre is based in Axmouth and has a full programme of activities and events throughout the year. For further information about the Spiral Centre please contact Christina Bows on 01297 23822 or Sarah Williams by email at swappletree@gmail.com

## Upottery runners celebrate success

MUD, hills or water don't seem to deter young runners from Upottery Primary School.

Years 3 and 4 secured first place for the school in Stockland Cross Country Series, with Jack Kennell and Jake Johnson finishing first and second respectively in the individual rankings, and the success continued in the recent Honiton Hippo Calf.

School running coach Nicki Dowson said: "The Hippo Calf 3k, hosted by Honiton Running Club, is no walk in the park as the runners face fields of mud, a climb through Combe Woods and then, to the joy of some and terror of others, a fast moving river crossing.

"But Upottery runners just get pulled out of the river by marshals, sprint on, pick their targets and overtake them, which is undoubtedly why most of them came in the top five of their age category.

"Archie Dowson won the title of first boy in the under 11 class, and was part of the dream team which won the primary school cup for the second year running." Headteacher Jason Edge commented: "We are delighted with the children's achievements. Upottery has a very proud tradition in running events, often competing against much larger schools and is a tribute to all the training they put in.

"So watch out East Devon Race Series, Upottery power seem to be unbeatable!"

■ FUTURE STARS: Honiton Running Club president Alan Rowe Honiton with some of the Honiton Hippo Calf winners

## Nice weather for ducks!

■ THE wind made for fast conditions at this year's Kilmington Pre-School duck race on Wednesday. As in previous years, 400 plastic ducks were set off into the flowing stream at Jubilee Green in front of an enthusiastic crowd. Each duck had been sold for £1, meaning the pre-school raised £400 to buy an outdoor bench.

ADVERTISER'S ANNOUNCEMENT

## Reducing stress workshops in Bridport

**MINDFUL RESOLUTIONS** | Stress is one of the biggest causes of work absence in the UK with 15.2 million working days lost in 2013, and an annual cost to employers of £26 billion.

Stress causes damage to business as work performance suffers and productivity and efficiency are inevitably reduced.

It's not good for the individual or the organisation, but there is help available. **Mindful Resolutions** is a local company supporting a range of organisations in reducing stress in their workforce.

The two company directors - Debbie Boyes and Lucy Watkinson, pictured above - are not only highly experienced mental health nurses but also business owners and employers.

They understand that a business has needs too and that cost management is critical to the health of any business - big or small.

Lucy and Debbie also offer individual training and therapy (including CBT and Mindfulness training) and are running an eight week workshop course in stress Reduction in Bridport starting on May 21st. More details, including how to contact Debbie and Lucy, can be at [www.mindfulresolutions.co.uk](http://www.mindfulresolutions.co.uk) and [www.growagain.co.uk](http://www.growagain.co.uk)

# Seaton treated to sun-drenched painting demo

"A PICTURE is worth a thousand words."

How better to describe the scene of fields of lavender in the sun than by a gorgeously-coloured painting in oils.

This was what the members of Seaton and District Art Society were treated to at their May demonstration by Christine Russell, using water-based oils, greatly recommended in preference to the normal oils with reference to portability and lack of turps odours in crowded studios, (although the smell of turps can be highly delightful to many artists, including Christine herself).

She used just five colours including white, but mixing them with skill and long experience she had all the colours she needed.

A piece of MDF board, suitably primed, was coloured in a warm pinky-blue, and her sketched indications of a scene near Snowhill in the Cotswolds was in a cobalt blue, with a pointed brush.

Christine carefully established the line of hills in the far distance and the presence of a pair of farm-houses on a hedge-line in the middle-distance with bright gable-ends catching the sun.

Trees broke the skyline up and, working through her tea-break, she went on to make large generous paintmarks in purples and blue-greens as she began to describe the rows of lavender in the foreground.

The warm sandy oranges of the soil between the rows was a lovely contrast of colours.

As she worked she gave the members useful hints, such as keeping the water-based oils in a fridge or freezer once they have left the tube.

Members were warmly appreciative of her talk and look forward to the next demonstration in Seaton Town Hall on June 1st at 2pm.

David Webb will be working in water-colour and non-members will be very welcome (£3)

## the WI INSPIRING WOMEN

### KILMINGTON

MEMBERS of Kilming-ton WI were pleased to welcome visitors to their Ploughman's and Dessert lunch on April 11th, including Mo from Devon Freewheelers, who told us how the organisation was started by Daniel Lav-ery.

Daniel's wife and newly born son had been saved by blood carried by a volunteer biker in Belfast and he vowed he would start a group in Devon.

To do so he sold his house to fund the project and after hearing his story at Devon WI Council meeting in Barnstaple in the Autumn, Kilming-ton WI decided to help.

A very successful lunch raised £350 for the Freewheelers for which the WI thank all who came and enjoyed the meal and helped the cause.

## Titanic tales for Seaton Probus

FOR the final talk before the summer break of Seaton and District Men's Probus Club, Molly Bond gave a presentation on 'Things You Probably Never Knew about the Titanic', an intriguing subject.

Molly has carried out extensive research on the sinking of the Titanic on her maiden voyage but focussed her talk on the human stories, during the catastrophic event and also, for some survivors, the effect on their lives afterwards.

Although it has always been assumed that the passengers were millionaires and rich passengers in first class, there

were also two other classes, second and steerage with many immigrants sailing for a new life in the new world.

The Titanic was believed to be safe and unsinkable and, even when the ship was sinking, passengers were unaware of the real danger, with first class passengers queueing at the purser's office to reclaim their valuables. There had been no lifeboat drills and crucially there was a major lack of lifeboats, not nearly enough for all the passengers.

Molly gave fascinating accounts of the disaster from the point of view of the captain, senior officers and passengers

and concluded by commenting that the tragedy will be forever etched on maritime history.

The members will look forward to resuming their meetings with speakers in the autumn and thank Brian Glasspool, Talks Secretary, for arranging a most interesting series of talks over the last seven months.

In the meantime club members will meet regularly for coffee and also dine out occasionally in Seaton.

## Koppers

# Axminster care home win award for being rated in the top twenty in the South West for the second year running.

TWICE voted in the top 20 of the Care Home Awards, beating 2370 other homes in the area, The Koppers is a warm, welcoming and friendly residential home specializing in the care of people with dementia.

Nestled in tranquil settings in the heart of the picturesque village of Kilminster, The Koppers provided the highest level of care for elderly people, comfortable accommodation with beautiful views, excellent facilities and expertly trained staff.

"We provide a friendly, comfortable home for the confused retired. We aim to promote independence, privacy and dignity within a therapeutic and caring environment"

The owners of the Koppers are constantly striving to provide residents with the highest quality care, providing dedicated and compassionate staff experienced in the care of elderly people with complex care needs, long standing mental health problems and severe communication disabilities.

"We pride ourselves on providing excellent care for our residents. To receive the award is a wonderful, wonderful achievement and it's great to have received such recognition two years running" owner Vivian comments.

"There is just a negative representation of residential homes in the news at the moment but we are a small home that takes pride in offering the best care and a happy, home from home environment and it's nice to have the award to validate that."

We are planning a summer event in July, to celebrate our award with residents, their families, friends and local community.

## The Manor House Care Home

THE Manor House Care Home is run as a small family home with the emphasis on the provision of quality individual care in a comfortable, safe and cheerful environment. The organisation and management of the home are the means to achieve that end.

Dr. S.H. and Mrs. S.E.C. Curry have owned, managed and resided at The Manor House since April 1996.

Dr. Curry is a chartered psychologist with many years experience dealing with the rehabilitation of brain-injured individuals, whilst Mrs. Curry is an RGN with many years of specialist practice. Her experiences as ward Sister have been invaluable training in the management of staff and resources.

The Manor Houses latest Care Quality Commission inspection report was rated as a 3 Star or Excellent Care Service. The Manor House is a private residential care home which strives to provide the highest

standard of care and permanent accommodation for 15 elderly individuals.

At The Manor House it is their aim to provide individual care in a comfortable, safe and cheerful environment where residents' individuality, privacy, dignity and freedom are respected.

At any point in time The Manor House will have between 14 and 18 members of staff additional to the proprietors. The proprietors fully recognize the crucial role that staff play in the welfare of the residents and therefore have had a long-standing commitment to continuous staff development and training. This is evidenced by the high level of staff qualification.

Please visit our website, where you will find all the information you need to determine if our home would be suitable for you or your relative. However; if you feel you need any additional information about any aspect of life in our home, please feel free to contact us at any time.

If you are able, we would like you to visit so we can show you what our home has to offer you or your relative.

# Seaton Down Hill speeding

■ REGARDING the issue of excessive speeding on Seaton Down Hill:

There is mounting and compelling evidence to support the concerns of residents who live on or near Seaton Down Hill.

This is not a case of the local police being overzealous – in case anyone thinks this is so.

They are responding, as they should, to the very real concerns that we have been expressing for some time.

Despite regular monitoring and 'educational awareness' campaigns by the Police since last autumn, far too many drivers, mostly local, still find it acceptable to drive well over the 30mph speed limit, with many at dangerous speeds of over 40mph.

It is fairly common to witness drivers speeding at 50-60+mph, some using mobile phones.

Presumably, these people would not find it acceptable if drivers behaved in this way and drove at such speeds along the roads where they live, thus putting the safety of their families at risk?

As a member of the recently formed community speed watch team (CSWT) my colleagues and I were unpleasantly surprised at the behaviour of many drivers at one of our monitoring sessions (on April 16th), reported in your recent article.

Despite the four of us wearing high visibility jackets and highly visible warning signs placed well before the monitoring zone, we clocked 34 vehicles (in one hour) over 35mph and in many cases over 40mph,

with one at 51 mph. Is this acceptable behaviour?

The CSWT will continue to support the efforts of the police to improve this situation; our safety depends upon it.

If there is no significant improvement in the situation soon, we will press strongly for the police to adopt tougher measures and insist on the regular deployment of their speed camera van.

We can only go so far with educational awareness. If this does not work, vigorous enforcement needs to be used.

We will also campaign strongly for Devon County Council Highways to commit to a programme of traffic-calming measures, including improved warning signs, a 'gate', and replacement of the national speed limit, which starts just above the entrance to Honey Ditches Lane to the A3052, with a 40mph limit.

With the already-acquired support of the Police, the Town Council and the local county councillor, we intend to lobby Devon County Council, East Devon Highways and Traffic Orders Committee on this issue when they next meet on July 25th.

As a footnote, can I say that there is a lot of sympathy for the residents of Seaton Down Road regarding the recent removal of their on road parking and who, as a result, now notice more speeding vehicles.

Could this be because the many 'speeders' coming down Seaton Down Hill can now delay reducing their speed into Seaton Down Road even longer, due to the removal of parked vehicles that previously forced them to reduce speed (eventually!).

It seems to many that there is a need for a thorough review of traffic management on this road, in consultation with local residents, especially in view of the expected increase in traffic over the coming years, as Seaton continues to grow and develop.

# Common sense alternatives for Seaton seafront

■ IT was most interesting to read the three letters in our local papers expressing sound common sense on their suggestions and views on the enhancement of Seaton.

An indoor haven near the promenade for visitors is an excellent idea in view of our English weather conditions, as is waterborne transport along the Jurassic Coast, calling at Seaton in fine weather.

We can do without false waves at Fisherman's Gap when we have the most beautiful views from there.

Remove your earphones, iPods or whatever

these technical things are called and watch the natural waves and listen to the birds, however annoying the seagulls are!

With regards to the opening of Seaton Jurassic visitor centre, why promote the intended coffee bar? It is the last thing we need when our town has so many charming coffee bars and tearooms.

I am among the older residents who appreciate the simple things of life and hope many share my views.

# Quick response from East Devon Street Scene team

■ EAST Devon District Council receives many brickbats but I should like to place on record the very swift action taken by Dan Heydon, technical officer in the Street Scene department, when I reported difficulties with a gate opening into Tracey's Field, Seaton Down Hill.

The bolt had become dangerous, and one or two people had cut themselves on it - myself included.

By the early afternoon of the same day, he and a colleague had inspected and replaced the bolt with a new and different type which should be safer – and reported back, leaving a message on my answerphone.

Thanks and congratulations.

# £500-plus raised thanks to Dryathlon support

■ I just wanted to write to say how grateful I am for all the support, generosity and help I have received during my 100 days fundraising for Cancer Research UK.

On April 6th I completed my 100-day Dryathlon [not drinking alcohol] and at this point I had already raised more than my £500 target.

I am amazed and overwhelmed by the support and generosity from the local shops; Reflections, Cinna-mons, The Nail Studio, Mole Avon, Morton's, Tesco, Natures Harvest, Boots Paul's Bakery and Colyton Butchers, thank you so very much.

I would also like to say a huge thank you to all my

family, friends and now new friends, who have helped by donating time, cakes, prizes, money... or all of the above.

You are truly wonderful people and I am so grateful. Without all of your help and support it would not have been possible to raise a whopping £310.30 at the coffee and cake morning, another £342.44 online and in our shop donations, taking the total to a target-smashing £652.74.

Lastly, a big thank you to Pulman's for all your efforts to get my message and fundraising out in the public eye.

You have been fantastic. I couldn't have done this without you all, from the bottom of my heart, thank you.

## David Lloyd Cabinet Maker

MY NAME is David Lloyd. After training at Rycotewood College in Thame, Oxfordshire, during 1994-95 I worked for small firms until I decided to start my own business.

I have been an independent cabinet maker and joiner since 2003.

From my Dunkeswell workshop, within the beautiful Blackdown Hills, I deliver mainly to Devon, Somerset and Dorset, but can deliver further a field if required.

What do I make? Well, almost anything in wood!

I make free standing and fitted furniture for kitchens, dining rooms, living rooms, bedrooms, studies, bathrooms and even the garden!

Designs are agreed with the client

after discussing needs, specifications and any foibles or special features they may require.

Bespoke furniture making permits freedom of design and choice of material to suit all tastes and budgets.

I also undertake bespoke joinery commissions if you need something a little different. Awkward, odd sized or listed building compliant internal / external doors, staircases and windows etc...

I am passionate about using English timber for my commissions as I believe it has more character. However I will use solid timber from overseas if the job requires it or you would like to use it, for example, using American Black Walnut for

kitchen worktops or African Sapele for doors.

I would be happy to see you at my workshop to discuss a future project or to just chat about wood. If you are thinking of visiting my workshop, please ring first to make sure I am available.

Please see my extensive portfolio online; [www.davidrloyd.co.uk](http://www.davidrloyd.co.uk), give me a ring 01404 891800 or email [info@davidrloyd.co.uk](mailto:info@davidrloyd.co.uk)

# SPOTLIGHT ON DUNKESWELL

## First 4 Offroad Vehicle Equipment

### Supplying Land Rover parts and accessories for almost 9 years.

FIRST Four OffRoad have been supplying Land Rover parts and accessories from their base on the Flightway Business Park at Dunkeswell for almost 9 years.

The business was started in 2001 by Peter & Rose Lamb, originally near Tiverton. After quickly outgrowing original premises they re-located to the current modern unit on Flightway.

Although the business is primarily mail order, and orders received through the First Four website leave for both national and international destinations daily, they have also developed a strong local trade and private customer base, which provides a useful local service for Land Rover owners in the East Devon, Somerset and West Dorset areas. Whether you Land Rover just needs a new exhaust or one of their more specialist products such as a hydraulic winch system, First Four can help.

"Basically, if it fits a Land Rover First Four either have it or can supply it", says Director Peter Lamb. In addition to the large range of parts and accessories held in stock they have the supplier network

to provide a 24 hour service for less common parts.

A feature when dealing with First Four is good experienced-based advice gained through nearly 30 years of experience using, maintaining and re-building Land Rovers of all types.

In addition to the range of Land Rover consumable parts, First Four have their own range of in-house designed accessories. This range includes replacement bumpers vehicle protection and expedition equipment. Built locally, this range has proved popular over the years and is supplied around the world. It is also popular in the UK with public utilities, emergency services and private individuals who use their vehicle for a wide range of tasks, from heavy towing to forestry and agricultural work.

The team at First Four are all Land Rover owners, so you can always be assured of receiving valuable experience-based advice. If you use a Land Rover vehicle, either as your daily drive or for your work, why not try First Four next time you need some parts or equipment.

## For Sector Lane... read Chard Road

**A**XMINSTER Town FC turned their pitch in Sector Lane into an iconic venue for local football, playing hosts to many memorable sporting occasions.

And now, after years of planning, the Tigers are about to do the same. This time they have a magnificent £1 million plus new ground at Chard Road which boasts some of the finest football facilities in Devon.

The once mighty Tigers are set to roar again as the club stages its first official match at the new facilities - the Axminster Hospital Cup final on Friday, May 22nd between their own 1st team and a Chard Town X1 (kick-off 7.30 pm).

It is fitting that such an important fixture in the football calendar should be scheduled for the first senior game at Chard Road and a huge crowd is expected.

Youngsters have already played on one of the two pitches in a junior tournament last Saturday which was watched by more than 200 parents and supporters.

Ray Self, the club chairman who has pioneered the move from Sector Lane (now a housing estate) to Chard Road, said it was "wonderful" to see so many people at the new ground.

"It was fitting that youngsters were playing at the new ground for the first time.

Next year we will be running and under 9, under 13 and Under 18 teams. We have some very talented youth coming through at that augers well for the future of Axminster Town FC at Chard Road."

Mr Self continued: "It has been a long wait to get our new facilities but it was all worthwhile when I saw such a big crowd watching the youngsters play."

Mr Self is anxious to involve as many sectors of the community in the club and over the next couple of weeks will be throwing open the doors of the Chard Road complex so the people of Axminster can see what fantastic facilities they have.

This coming Saturday the club will be holding an open day from 2 pm for members to be followed by an invitation for members of the business community to view the social facilities between 9.30 am and 1 pm on Friday, May 22nd.

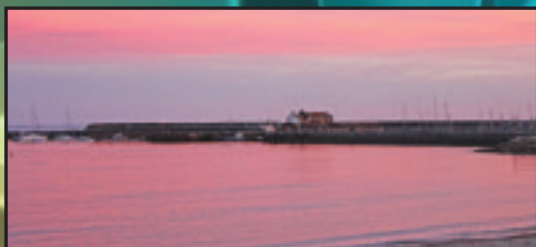

That same evening the club will host the Axminster Hospital Cup, the leading charitable tournament in the area which has raised thousands for Axminster Hospital over the years.

Finally, the public will be invited into the ground on Saturday, May 23rd, from 2 pm, to see the fixtures.

As well as building their youth structure, the club is anxious to attract new players and they are also looking for a manager for their 1st team squad.

Its central location and easy access makes it's a great meeting place for friends wanting a chat over a cuppa and perhaps a slice of delicious homemade cake or shortbread of which there is a wide range to choose from. Owned by husband and wife team Tris and Jane Pinkney and located in a listed building, formerly the Red Lion Hotel, Bilbys Crewkerne is run by Jane and retains many original features such as the fire place and decorative floor tiles, stained glass windows and ceramics in the porchway. There are also blow up photographs of historical views on the walls, daily newspapers and a noticeboard of local events, all adding to the atmosphere of your dining experience. The food at Bilbys is all made on the premises to a very high standard using the best ingredients, sourced locally. The cakes are made by Jane in Crewkerne, eat in or takeaway. There are no GM products and special dietary requirements can be accommodated, there are some gluten free items on the menu already. Cream teas with homemade scones or a slice of cake with cream or custard (the Battenburg was, light moist, not overly sweet and totally delicious) or perhaps an icecream sundae for the sweet tooth, all washed down with a wide selection of teas, (ceramic teapots that pour not dribble) milk shakes or soft drinks. Nothing on the menu is over £8 and they still work on a cash only basis to help keep the costs down. Bilbys has a five star hygiene rating. Half portions of all the food can be served for children (no chips there) and the wheel- friendly access, high chairs and toys all make it a family friendly environment. There is a separate dining room which can seat up to 24 and is often hired out for seminars, meetings or private parties. Opening hours are 9am-5pm Monday to Saturday. Jane and Tris would like to thank all their customers from the last 14 years and especially their excellent team of staff who work very hard to create a warm and friendly atmosphere.

The exciting news is that we have finally completed the refurbishment of our Crewkerne Surgery!

THE newly modernised surgery now has a much improved and enlarged animal treatment area, with two separate operating theatres, separate spacious cat and dog kennels, a dedicated recovery area within the main treatment area and an imaging suite with digital radiography and ultrasound. A separate room at the rear of the surgery houses our popular dog grooming service and there are separate kennels for the isolation of high risk cases. The newly completed reception, waiting and consulting area is now more spacious, with three consulting rooms and an airy and modern waiting room, with a separate retail area. The Crewkerne branch will serve as our main branch for the investigation and treatment of more complex cases, whilst our other three branches will continue the excellent consulting, operating and hospitalisation services which they already offer. As well as an opportunity to see behind the scenes at the surgery and to meet our staff, there will be lots of exciting things such as raffles, face painting, demonstrations, goody bags and refreshments, as well as exciting exhibitors. For further information, please pop in to the surgery and ask our staff.

# A TASTE OF JAM-TASTIC JAZZ

ONE of the marvellous things about music is how varied and ever changing it is - there are so many different styles of music to enjoy.

Jazz is one genre but it alone embraces many different aspects from the early ragtime tunes immortalised by Scott Joplin to the ultra-cool bebop of Charlie Parker and John Coltrane. If you don't know about jazz but would like to find out more, where do you start?

Well, Ilminster Arts Centre is a good place - it stages regular jazz concerts, featuring performances in a wide variety of styles, as well as hosting "Jazz Jam Sessions" where musicians can get together and play music in an informal way.

Every so often the 'Jammers' put on a concert performance and showcase their talents to an audience. For those not familiar with jazz, these free concerts

are a perfect way to find out a bit more about this style of music.

Many of the Jammers are highly competent professional musicians and their latest concert on Friday, May 22nd is an opportunity to hear five of them performing as The Duncan Anselm Quintet with Tony Roberts.

The Duncan Anselm Quintet plays mostly 'Blue Note' style jazz from the 50s and 60s. Duncan Anselm has been a fixture on the South West jazz scene for many years while Tony Roberts has worked with notable names such as John Dankworth, Humphrey Lyttleton and John McLaughlin (of Weather Report).

The Jazz Jam gigs are free but a donation to the Arts Centre would be appreciated. There are no suppers for this event, but there is a well-stocked bar!

# Borealis at the Beehive

FOLLOWING on from an afternoon workshop, the Borealis Saxophone Quartet will be playing an exciting mixture of music as part of Honiton Festival. These include a Bulgarian Suite, which captures the essence of a traditional Bulgarian folk wedding, a commissioned work, The North, by Gary Carpenter, which was premiered last year in London, a brand new work receiving its World Premiere, Flights of Fancy by Devon composer Andrew Wilson. Also included is one of the world's first compositions for saxophone quartet Introduction and Scherzo by Frenchman Robert Clerisse. Rhapsody in Blue by George Gershwin, Samuel Barber's famous Adagio, Barbara Thompson's Celebration and with other works all mean there is something for everyone in this

very wide-ranging programme. This is the Quartet's first visit to the South-West.

The Borealis Saxophone Quartet play at The Beehive, Honiton on Saturday, May 16th at 7.30pm. The Beehive's excellent bar will be available both before and after the concert and during the interval.

Tickets are £15 from [www.beehivehoniton.co.uk](http://www.beehivehoniton.co.uk) and through 01404 384050 or in person, with Student tickets at the door only at £5.

Full details of the full Festival Programme are listed around the town and online at [www.thehonitonfestival.co.uk](http://www.thehonitonfestival.co.uk)

# The History Boys at the Northcott

VOTED the nation's favourite play, Alan Bennett's multi-award-winning 'The History Boys' will return in 2015, visiting the Exeter Northcott Theatre in May as part of a major new UK tour for 2015.

Winner of over 30 major awards including the Olivier and Tony Awards for Best New Play, *The History Boys* is the story of a group of bright, funny and unruly sixth-formers in pursuit of sex, sport and a place at university. Their maverick English teacher is at odds with the young and shrewd supply teacher, whilst their headmaster is obsessed with results and league tables. Staffroom rivalry and the anarchy of adolescence overflow, provoking inconsistent questions about history and how you teach it. Their A Levels may be over, but their true education is only just beginning. Widely hailed as one of the greatest theatrical events of the last decade, *The History Boys* is a hilariously funny and exceptionally moving play about the true purpose of education.

*The History Boys* will be performed at Exeter Northcott

Theatre from Tuesday, May 26th to Saturday, May 30th.

Tickets are £29-£35, or £25-£29 for matinee performances. £2 off for concessions Tuesday-Thursday evenings and Saturday matinee.

For more details visit [www.exeternorthcott.co.uk/](http://www.exeternorthcott.co.uk/)

## Local Author Sara Perry supports Young Minds Charity

OVER the last year local resident and professional performer and psychic Sara Perry has been very busy.

Not only has she been presenting live on Psychic television and the radio but she has also found time to run her dance school, perform at the London Palladium with some of her students and now she has written and illustrated a children's book 'What if?'.

Inspired by former student George Werb the book aims to encourage the reader to open up the imagination and to use 'what if?' in an alternative, positive and appealing way. It also reminds us that the world is full of possibilities and how magical the mind can be.

Sara explains "We spend half our lives asking 'What if?' and often assume the worst". "It's easier to react in a pessimistic way because the brain is more alert to danger and so the question 'What if?' can often produce the most negative scenario in the mind". "What if things were not as they first seem? What if our dreams are real and the things we fear are actually blessings instead?"

Dedicated to George Werb and to all those individuals both children and adults alike who are ashamed or afraid of being themselves, who fear being

different and standing out from the crowd. "Have the courage to shine brightly as it takes unusual perception to create genius".

All of the proceeds from the book are going to Young Minds the UK's leading mental health charity for young people.

Copies of 'What if?' can be purchased from the Owl and the Pyramid, Osborne's and Paper Chain in Seaton and Chocolat é Present in Colyton and Colyford Post Office.

During half term Sara will be doing an active story reading for primary school age at Seaton and Colyton Libraries on May 27th and 28th at 10am. Signed copies of What if? will be available to buy and Sara and the Well Mind team encourage everyone to come along.

Sara and the newly formed Well Mind

fundraising team will be at the

# ALL ABOARD!

## 24 hour charity tramathon at Seaton Tramway

A 24 HOUR Tramathon is taking place in Seaton this May to raise money for charity.

For 24 hours continuously, a special tram will depart Seaton Terminus at the top of the hour, every hour. It all kicks off at 1pm on Wednesday, May 27th and will continue through until the last departure at midday on Thursday, May 28th. The return journey takes just under one hour.

The Tramathon will raise money for four charities; Epilepsy Research UK, Cancer Research UK, Prostate Cancer UK and Marie Curie Cancer Care.

One of the co-organisers is Seaton Tramway Driver Dave Rawlings from Cotleigh. He says: "We want to offer something a little different for visitors to the Seaton Tramway. This is a one-off chance to enjoy the sunset or even the sunrise on a tram travelling along the River Axe. Perhaps you'll also get a glimpse at the stars if you join us overnight."

Tramway Inspector Gareth Richards from Seaton the other co-organiser of the event, says: "Throughout the evening, overnight, and for those early risers among us, the ticket price is £5 return. During normal tramway operating times standard fares will apply. A donation will also get you onto the Tramathon Special. All money raised will be equally split between the four charities. It's a really unique opportunity and we just hope people get on board with this very special charity event."

Dave and Gareth thank everyone for volunteering their services and especially Seaton Tramway for providing the trams to run this event.

# Skydiving school wants record back

THE skydiving school based in Dunkeswell is again attempting to regain the Guinness World Record for the most tandem skydives completed in 24 hours at a single venue.

Jump day will be Saturday, June 20th, one of the longest days of the year.

This will be a big and exciting local event, benefiting loads of local and national charities.

Most people will be raising money for charities close to their heart.

The skydiving school believes hundreds of thousands of pounds will be raised. Most importantly though, this day will be all about breaking the world record and bringing it back to Dunkeswell, here in the UK.

The same skydiving school in Dunkeswell broke the world record in 2014 by completing 281 tandem skydives in 24 hours.

But this record was beaten later in the year by the Americans and is now 286.

"We have lots of support and the British seem to be very keen for any adrenaline sports, especially skydiving.

"We have no doubt we can get the world record back to the UK this year," said Jason Farrant, managing director of Skydive UK / Buzz in Dunkeswell.

The intended new record will be 333 and 300 people have already signed up.

Almost anyone can enter and do a tandem

parachute jump as long as they are over the age of 16 (with parents consent). There is no upper age limit, however, over the age of 40, a medical form needs to be signed by a GP.

Skydive UK / Buzz is one of the biggest skydiving schools in the UK. Being located in Devon it has stunning views of three coastlines.

Last year the record in America was beaten from 12,000 feet.

Mr Farrant said: "We know that to beat the record we don't even need to go to 15,000 feet, but then we would feel like we are doing half the job.

"Our planes and pilots can take our skydivers to the maximum altitude of 15,000 feet, so why not?"

To register, please get in touch with Skydive UK/Buzz, by calling 01404 890 222 or visiting [www.skydive.buzz](http://www.skydive.buzz)

## Wooldridge thrills again on Beer Wurlitzer

Michael Wooldridge

AFTER an outstanding show at Beer last year, Michael Wooldridge returned on Saturday, May 9th to once again delight an appreciative audience on the UK's oldest Wurlitzer. Michael Wooldridge is a highly-regarded theatre organist and Principal Tutor of the Rye Wurlitzer Academy. He told the audience about the talented youngsters, aged 8-18 whom he teaches at the Academy and who play on the Rye Wurlitzer which is the second oldest Wurlitzer in the UK and sister to that at Beer. It was good to hear about future generations of organists being nurtured at this unique establishment.

Michael treated the audience to a marvellous afternoon of music including wartime favourites, memories of Reg Dixon, a Buddy Holly medley, film and show tunes and the overture Poet and Peasant. It was also a pleasure for the audience to meet Richard Moore, who runs the Rye Academy, and Tony Wilson, a highly-regarded organist from Los Angeles who performs throughout North America and abroad. Tony, who plays in concert halls and other large venues, said he had never before experienced such a lovely show in the intimate setting of a small church or ever visited such a beautiful 'small town' as Beer.

Everyone is welcome at the next Wurlitzer show on Saturday, June 13th, at 2pm, when John Mann, the popular organist entertainer, returns. Shows are held at the Congregational Church, Fore Street, Beer, EX12 3JQ, admittance is £7 on the door which includes interval refreshments.

For further information please visit the website at [www.beerwurlitzer.org.uk](http://www.beerwurlitzer.org.uk) or phone 01297 24892.

## Hospital League of Friends AGM

AXMINSTER Hospital League of Friends hereby give notice of their Annual General Meeting, to take place on Friday, June 12th at 6.30pm.

## Cornish artists travel East to Somerset

CORNWALL has a special place in many people's hearts and a new exhibition of paintings, prints and photographs at Iminster Arts Centre by a group of Cornish artists, will surely stir happy memories of favourite holiday haunts.

The 10 artists are all members of Lizard Art, a co-operative of artists who are based on or near the Lizard Peninsula and whose work is inspired by the stunning coastal environment that surrounds them.

For 'Reflections of Cornwall', they are travelling east to Somerset, to share their creative responses to the UK's most south-westerly region, whose communities have a unique connection with the coast, its beaches, coves, rugged landscapes and ever changing skies.

This is the first time that the group has exhibited at the Arts Centre. 'Reflections of Cornwall' opens on Monday, May 18th and will feature a diverse collection of still-life subjects, botanical studies, landscapes, and botanical art in various media.

Lizard Art ([www.lizardart.co.uk](http://www.lizardart.co.uk)) was founded some 14 years ago and is based at the Stable Yard Gallery, Trelowarren Estate, Helston.

The 'Reflections of Cornwall' exhibition is open from Monday, May 18th to Saturday, May 30th at Iminster Arts Centre, 9.30am-4.30pm Monday to Friday, and 9.30am-2.30pm Saturdays. Admission is free.

## Valuation Day at Iminster Arts Centre

IT'S TIME to search out that long forgotten treasure that may be lurking in your attic, garage or shed - or perhaps even sitting in plain view on the mantelpiece.

Iminster Arts Centre is hosting a special valuation day on Thursday, May 14th where members of the public can bring along their treasured items for a professional evaluation, courtesy of experts from Beames, Hampton and Littlewood of Exeter. The event is becoming a popular regular fixture at the Arts Centre - and even if your item is not quite the masterpiece that you had hoped, it's worth coming along just to see some of the weird and wonderful items that everyone else has brought!

The event runs from 10am-1pm and valuations are free.

# Celebrations to mark Beer Heights Light Railway's 40th anniversary

THERE'S a big buzz at Pecorama as preparations are underway for the exciting special events programme taking place over the course of the season. As 2015 marks the 40th Anniversary of the Beer Heights Light Railway, there will be a vintage and steam focus at the weekend Festival in June and during Gala Week in August (24-31), Pecorama will welcome well known BBC News Correspondent Ben Ando who will name the new commemorative steam locomotive on the Beer Heights Light Railway.

The first major event takes place in May, with the Vintage and Classic Car Rally on Sunday 24th and Registration Forms have continued to flood in promising yet another impressive display of classic vehicles from across the West Country and beyond.

Now in its fourteenth year, the event welcomes numerous stalwarts, some who have attended without fail since its inception. The event takes place in the Pecorama car parks and with the growing number of new comers there's always something new and attention-grabbing to see.

The Peco Steam and Vintage Festival on Saturday 13th and Sunday, June 14th promises to be a blast from the past and reminiscent of the popular steam events of years gone by. Guest exhibits will include full, half, one third and one quarter size traction engines, vintage tractors and vehicles. Honiton Brass Band will complement the atmosphere on Saturday, with Sidmouth Steppers 'stepping out' on Sunday.

On Saturday, June 12th, there will be a unique opportunity to ride the Beer Heights Light Railway and see Pecorama's beautiful gardens illuminated at the 'Midsummer Night's Steam' event.

Music at the Top Spot stage will be provided by local artists Alan West, Steve Black and Adam Sweet and a delicious spit roast BBQ and ride on the railway will be included in the ticket price of just £12.50 in advance or £15 on the gate.

## SYMONDS & SAMPSON LANDLORDS WORKSHOP 21ST MAY 2015 5PM TO 7PM AT OUR AXMINSTER OFFICE

SYMONDS & Sampson's letting departments have seen property levels decreasing and the number of tenants seeking homes increasing. Demand is outstripping supply with more than one tenant applying for each property.

There has been a small increase of buy-to-let investors but more need to enter the market to satisfy tenant demand. Rising rents and improved mortgage deals are there to tempt investors into the market so Rachael James, Partner and Head of Symonds & Sampson's Letting Department has arranged a Landlords Workshop at the Axminster office in Trinity Square.

Melanie Beaton and Sarah Bolton from the lettings department will be on hand to discuss the new legislation and case law and how existing landlords are affected together with advice on market rental

values. Symonds and Sampson manage more than 850 properties and are members of ARLA. We offer a wide range of services and offer our clients an individual package to suit most Landlords.

Rickey Stoodley in the sales department will also be very pleased to talk to any investment buyers about our two new home sites in the town. Devonshire Homes have a range of one, two and three bedroom properties from £116,950 and DTMR Developments offer a range of two and three bedroom homes from £169,950. Both sites are selling well, with few properties remaining at the Devonshire Homes site in Sector Lane. DTMR's Mitchell Gardens site in West Close is well placed for the town centre and railway station.

If you would like to attend the Landlord's Evening please email: mbeaton@symondsandsampson.co.uk. We will also be happy for you to drop in informally between 5pm and 7pm.

In the meantime here are some tips on what to consider when investing in a buy to let property.

Do your sums – Seek advice from our lettings department on the monthly rental against the cost of your monthly mortgage

repayments. Don't forget to take into account voids where the property sits empty for a month or two.

Research the market – Choose an area where there are good facilities such as local shops, pubs, schools and public transport.

Tenants – Do not imagine yourself living in the property but put yourself in the shoes of your target tenant. Who are they and what do they want? Young professionals – modern and stylish. Families – They have their own belongings, so a blank canvass is essential.

Know the Legislation – It is essential that Landlords know their obligations under the law. A Landlord is classed as a commercial business under Health and Safety Rules and must be aware of responsibilities for such things as gas safety certificates and safe electrics.

Consider how hands-on you want to be – Buying a property is only the first step. Will you rent it out yourself or use an agent to do so?

Are you Happy with your existing Agent?

We look forward to seeing you on Thursday 21st May 2015 between 5pm and 7pm.

## State-of-the-Art Technology

SEAT has chosen the Barcelona Motor Show to take the covers off of its New Ibiza. Making it one of the best and most multi-faceted offerings in its class, the latest version of the Spanish brand's iconic model comes with a raft of innovative technologies, new engines and equipment options, plus additional safety systems and, above all, a completely new connectivity and infotainment line-up.

The Ibiza's emotional and dynamic design continues to be well received by customers and is a central purchasing reason, so the team have focused their attention on new running gear which takes comfort to a whole new level, as well as upgrading the design and quality of the interior.

Connectivity is a central factor in today's world – and a focal point when it comes to developing SEAT models. In the new Ibiza, the Spanish brand is using the second generation of its Easy Connect infotainment systems. The new MediaSystem plus and satellite navigation system can be enhanced with the MirrorLink function, which provides seamless smartphone integration into the car infotainment system. Thanks to MirrorLink, mobile phone functions and a wide range of apps can be used safely inside the car, while SEAT has also taken the opportunity to develop its own app for MirrorLink, called SEAT DriveApp. SEAT can connect the most frequently smartphone systems. The Full Link (comprising MirrorLink, Android

Auto and Apple CarPlay) connection between Easy Connect means that New Ibiza drivers are always connected, whatever smartphone they use and able to retain their full concentration on the road. In line with this connectivity, SEAT has announced a partnership agreement with SAMSUNG to develop technological solutions to provide total connectivity across its model range.

The exterior design of the Ibiza five-door, three-door SC (Sport Coupé) and the ST (Sport Tourer) are still absolutely up-to-the-minute and extremely well received by customers, so changes for the new model take in new headlights with LED day-time running lights, new 16- and 17-inch alloy wheel designs and two new paint colours, Moonstone Silver and Chilli Red.

### Significantly upgraded interior

The concept behind the broad design appeal of the new interior is that it features fully customisable elements that resonate with everyone by striking a harmonious balance between expressivity, functionality and precision on each of the contours and surfaces that de-

fine the interior. Its horizontal proportions and the driver-oriented instrument panel provide enhanced driving pleasure, thanks to the arrangement of all the elements and its soft-touch finish. Attention to detail is displayed in every feature – on the steering wheel, the air vents, instrument cluster and radio. The new interface has been designed to highlight the relationship between the driver and

technology by creating character lines that add functionality, while the screen design provides the driver with a physical reference.

The resulting interior design is a reflection of a product that has been inspired by and conceived in the surroundings of the beautiful city of Barcelona.

## The Most Powerful Production Mini Ever

▲ The new MINI John Cooper Works

NOW the new MINI John Cooper Works, based on the latest MINI 3-door Hatch, has become the hottest new car on the streets of Britain.

Drawing on the much-loved British brand's 55 years of proud motorsport heritage, it is the most powerful production MINI ever. Its 2.0-litre MINI TwinPower Turbo four-cylinder engine delivers 231 hp and 320 Nm of torque.

Competition expertise has been put to good use in the design of the engine, suspension, brakes and aerodynamics. The exterior styling and interior trim also benefit from motorsport influence and distinguish the John Cooper Works as a model in its

own right, totally distinct from the MINI Cooper S, while the sports exhaust system delivers a rich racing-inspired sound.

The figures alone mark the new John Cooper Works out as the sportiest MINI ever to be offered for sale. Acceleration from 0-62 mph takes just 6.3 seconds with the six-speed manual transmission – an improvement of 0.2 seconds, or three per cent, over the previous model – and an even more rapid 6.1 seconds with the optional six-speed Steptronic sports automatic gearbox, which includes Launch Control.

Driving flexibility and overtaking prowess have also been emphatically sharpened thanks to the 320 Nm of torque: accel-

eration from 50 to 75 mph is completed in 5.6 seconds (manual gearbox), a 10 per cent improvement over the previous model, and a time which puts many sports cars in the shade. With either transmission the top speed is 153 mph.

All of this has been achieved with the exemplary efficiency made possible by MINIMALISM – fuel-saving and emissions-reducing technologies, which are a feature of every model from MINI. With the manual gearbox, the new John Cooper Works has combined fuel consumption of 42.2 mpg with CO2 emissions pared to 155 g/km. With the automatic sports transmission there are even more spectacular improvements of almost 20 per cent over the previous model, with figures of 49.6 mpg and 133 g/km.

**State-of-the-art engine based on racing expertise**

Ever since legendary designer and performance specialist John Cooper, discovered the sporting talent of the classic Mini, his name has stood for maximum driving enjoyment and impressive competition success. The link between MINI and John Cooper Works is steeped in tradition, which is reflected in the latest engine to appear in a model bearing his name.

This, the most powerful unit to appear in a production MINI, is a transversely mounted four-cylinder engine which exhibits the latest advancements in power delivery, smoothness and efficiency. It features MINI TwinPower Turbo technology to deliver performance characteristics with unambiguous motorsport links.

The 2.0-litre capacity (1,998 cc) engine of the new John Cooper Works has a maximum power of 231 hp, available from 5,200 to 6,000 rpm – 10 per cent greater than the previous model – while the peak torque of 320 Nm, available from just 1,250 to 4,800 rpm, represents an improvement of 23 per cent.

## Ford Introduces Free Service App for Smartphone Users

FORD has introduced a new service app designed to benefit the owners of Ford vehicles within the UK and across Europe.

The Ford service app, available to download for free on Apple iOS and Google Android devices, provides the user with local information and useful tips, including an ability to locate the nearest petrol station or Ford dealer.

A number of safety provisions are also available to the user. Using GPS, the app can identify the location of an accident anywhere in Europe and connect to the emergency services through the Ford Helpline. The app also provides first aid tips, including how to rescue someone from a vehicle and correctly place them in the recovery position, and safety instructions for what to do at the scene of an accident.

The service app enables the user to:

- Connect to the Ford Assistance Helpline in an emergency, using GPS to provide a location anywhere in Europe.
- Locate the nearest Ford dealer within the UK, providing an address, contact number and option to book a vehicle service.
- Identify international traffic signs and rules when driving abroad, and the function of vehicle warning lamps on the instrument panel. It also includes a Ford Technology guide with videos explaining Ford vehicle technologies.
- Browse Ford's range of vehicle accessories.

- Find out more about Ford's BlueService package, including Motorcraft 4+.
- Create a road trip or holiday checklist of what is required while travelling, including a 'Park Me' feature, which logs the location of where a vehicle is parked, and tracks the time elapsed since a parking ticket was issued.
- Create a 'damage report', which can generate a PDF report at the scene of an accident.

This is the latest addition to Ford's universal commitment to its retail customers, known as Ford BlueService. It is a collection of promises to assure customers that Ford is always by their side and ready to support them. Ford dealers can offer customers convenience through Online Service Booking, Ford One Call and Collection and delivery; trust and added value through Ford eCHECK and vehicle cleaning; and reassurance through complimentary comprehensive Roadside Assistance and Ford Accident Management.

Ford dealers offer a range of Motorcraft 4+ services to owners of vehicles which are more than four years old. This includes minor services for RRP £125 (including Roadside assistance), plus transparent, competitive pricing on tyres and common repairs and parts. Since its introduction visits by customers driving four year+ vehicles are up by 10 per cent and the average age of vehicle using the Motorcraft programme is 7.3 years old.

# The New BMW 3 Series Saloon and Touring

THE BMW 3 Series has been a sales phenomenon, with 14 million cars sold since production began with the E21 model in 1975. During that time the model has defined the premium sports saloon segment with today around a quarter of all BMWs sold coming from the 3 Series range.

The new 3 Series Saloon and Touring models receive a subtle evolution to their front and rear styling, with new materials and highlights introduced to the interior to even further boost the sporting yet comfortable ambience.

Under the bonnet, the majority of engines are completely new and hail from the latest modular BMW EfficientDynamics engine family, with standout models such as the new three-cylinder 318i, the 326hp 340i, the 99g/km 320dED and the 335d with 630Nm of torque.

With further advancements to gearboxes, chassis dynamics and personalisation options, plus a huge array of advanced technology such as the new optional BMW Professional Navigation, the new BMW 3 Series is better equipped than ever before to continue the legend.

## Design and equipment: refining excellence

The new BMW 3 Series has a strikingly attractive presence on the road. The distinctively sculpted long bonnet and setback passenger compartment combine with short front and rear overhangs, and a long wheelbase, to create the familiar dynamic proportions of a BMW. In its own way, these are as much a hallmark of a BMW as the perfect 50:50 weight distribution.

Revised headlights include optional LED units with LED indicators now positioned as "eyebrows" above the headlights. These full-LED headlights, which are even more efficient than the xenon headlights of-

▲ The new BMW 3 Series Saloon

fered to date, work with the optional BMW Selective Beam system. The camera-based, anti-dazzle High Beam Assistant adjusts the car's lights using actuators to ensure the road is illuminated as well as possible without dazzling oncoming traffic and vehicles travelling ahead.

In addition, the "eyes" of the BMW 3 Series have moved further apart, visually strengthening the car's broad stance on the road. In cars with standard specification lighting, the headlights are joined by two LED daytime driving light units on each side. These light strips highlight the hallmark BMW twin headlight arrangement and link the headlight units with the traditional BMW kidney grille.

At the front, broader side air intakes are integrated into the sculptural form of the bumpers. The new, more intricate structure of the central air intake also allows the radar sensor for the Active Cruise Control (ACC) to be housed more discreetly. At the rear, the new rear lights are full-LED units. The light bars, arranged in a distinctive BMW "L" shape, are more heavily curved, and the integrated LED brake lights now respond faster. The two-piece LED indicators form a horizontal band of light across both sections of the rear lights and stretch into the boot lid (or the tailgate on the BMW 3 Series Touring).

New exhaust tail pipes are fitted to different models depending upon engine output. The range-topping BMW 340i features individual 80mm tailpipes on the left and right, while the engines for the 320i and 320d models upwards now come with dual tailpipes, each 70mm in diameter. The tailpipe for the entry-level models measures 75mm in diameter. There is also a new range of wheels, with rims up to 19 inches in diameter available as an option, and 20-inch wheels can be selected from the Original BMW Accessories range.

## Hippos target double at Seaton

Fishermen snared in relegation net – Hawkchurch clinch promotion with 1-0 win

**MIDWEEK ROUND-UP**  
**Tavistock 3 Sidmouth Town 0**  
*South-West Peninsula League*  
*Division One (east)*

JUST 52 days ago Tavistock trooped off the Langford Park pitch after losing to a last minute winner against Galpmpton United and at that point in time if you said they would win all their remaining 11 games and pinch the East Division title on goal difference from Appledore on the final day the men in white coats would have probably been called!

The Lambs' run has been nothing short of remarkable.

The signing of Plymouth Parkway's treble winning Captain Will Stringer in March was the final piece of the jigsaw that complimented manager Kevin Hendy's attacking play with a disciplined back five and provide to be the catalyst for nine clean sheets and that maximum point return.

Going into the weekend Tavvy had to rely on a big favour from Crediton United, and the result of the Lords Meadow club in North Devon left the championship door slightly and the West Devon side weren't going to let their unexpected opportunity slip.

Tavistock were nervous and Sidmouth certainly held their own and deserve credit for making sure the title had to be hard earned and not a 'gimmie' - although Charlie Ledger in the away goal pulled off some excellent stops.

The first opening came in the 17th minute when Carlton Farnham skipped down the flank and pulled back to Kelvin Fyneboy who in turn set up Dan Follett but his shot crashed against the cross bar from the edge of the box.

In the next attack Stringer's header from Dave Hallett's corner appeared goalbound but Vikings' defender Mike Pidgeon rose to head the ball off the line onto the cross-bar before hoofing it to safety.

Another Hallett corner in the 40th minute was met by Fyneboy whose header brought the best save of the match out of Ledger - diving full length to push the ball around the post.

The deadlock breaker eventually arrived in first half stoppage time when another Hallett corner was met this time by Chris Maskell whose low header flashed past Ledger.

For the second 45 Sidmouth introduced former Seaton Town under 16s skipper Ollie Binion for his debut replacing the injured Ashley Small on the right wing.

Sixteen-year-old Binion put in a mature performance with his non-stop running and non-nonsense tackling that had the watching faithful wincing at times.

Young Binion demonstrated that he is another one to watch-out for next season as Sidmouth will be seeking to build on their best ever South West Peninsula East Division finish and with the highest amount of points gained.

The title clinching goals came in quick succession. On 63 minutes Fyneboy launched a precision cross to the back post where Josh Robbins swooped to head home. Five minutes later Stuart Clarke's through ball released Farnham and he arrowed a low shot into the corner.

**Sidmouth team:** Ledger, Tyrer, Benyon, Newbery, Pidgeon, Cox, Doble (C), Rouse, Small, Pitter, Boyland. Used sub; Binion. Star Man; Billy Rouse.

**Beer Albion 1 Seaton Town 1**  
*D & E Premier Division*  
WATCHED by a crowd of 200 spectators, Beer Albion and Seaton Town shared the points in a hard-fought local derby on Bank Holiday Monday.

The Fishermen needed to beat their local rivals to have a chance of moving out of the bottom three and finishing above them in the table but they now face the possibil-

ity of relegation to Division 1.

As a spectacle the match was disappointing and was not helped by some over-zealous refereeing which prevented the game from flowing.

The contest did not really come to life until the second half. After a dominant spell, the Seaside's took the lead on 70 minutes through a well-directed header by Martin Hancock.

But, after Beer brought on substitutes James Melville and Pedro Fontes, they posed much more of a threat and deservedly equalised on 79 minutes through Kieran Love.

Both sides had opportunities to win the game but a draw was a fair result.

Beer complete their Premier league program on Saturday (May 16th) with a visit to Topsham Town.

◆ Meanwhile in what promises to be a lively contest, Beer Reserves were due to take on Kentisbeare in the semi-final of the **Golesworthy Cup** at Ottery St Mary yesterday (Monday).

**Combe St Nicholas 0**  
**Honiton Town 2**  
*Seaton Challenge Cup Semi-Final*

GOALS from Jack Knight and Tom Perryman earned Honiton Town a place in the Seaton Challenge Cup Final after a 2-0 win at Somerset League Division Two (west) champions Combe St Nicholas.

The Hippos will face Seaton Town in the Final at Colyford Road on Saturday (3pm ko).

**D&E LEAGUE ROUND-UP**  
*with Collin Goodwin*

**FOURTH Division LAPFORD** crowned another amazing season with a 2-0 victory at neighbouring BOW AAC to capture the last remaining League title.

Having won their first ever trophy last year, Lapford have doubled up and although they were beaten Devon Senior cup finalists last week, regard it as a hugely successful season. Bow did not make life easy for the neighbours but Lapford led at the break through Dan Tucker, and a superb strike from Dom Stapleton ensured the title.

**ST MARTINS** finish as runners up despite a 9-0 demolition of NORTH TAWTON. The two teams met last week but the game was abandoned after just a minute because of a broken leg, and quickly rescheduled.

**Division Seven** champions WINCHES-TER FC won the Geary Cup 2-0 against city rivals CENTRAL FC to complete the double. Wayne King and Sam Haggard were the Winchester scorers in a really tight final at St Martins Minster Park.

**HATHERLEIGH TOWN** made sure of third place in Premier with a 1-1 draw against TOPSHAM TOWN with James Skinner scoring their only goal.

**THORVERTON** ended their season on a high winning 3-0 against CHARD TOWN, and the UNIVERSITY were much too good for BOW AAC, the college romping to a 7-0 scoreline.

In the last match in Division Two CULM UNITED lost 5-4 at home to DAWLISH UNITED which means the pair swap places.

It was the end of a traumatic week for the Magelake club whose title winning Division Eight side had a pitch invasion by a herd of around 70 cows in midweek, causing great interest on social media websites.

**UPLOWMAN ATHLETIC** and WINKLEIGH shared a 3-3 draw in the last Division Five match. Chris White, Jordan O'Leary and Lloyd Beech scored for Updownman.

**Division Six** champions OTTERY ST MARY signed off with a 3-1 win at SEATON TOWN, and TIVVY PARK RANGERS, in their first ever season, drew

2-2 against OFFWELL RANGERS to ensure fourth place in Division Seven.

The week ahead sees a glut of local cup finals. On Wednesday night Devon Senior cup winners EXWICK VILLA seek another trophy when they face Premier division HATHERLEIGH TOWN in the East Devon Senior cup final at Crediton (7.00 pm).

Hatherleigh will be all out not to disappoint their supporters having lost 5-1 to SWPL Appledore in the Torridge cup final on Thursday.

This Thursday night BAMPTON face LANGDON at Crediton (7pm) in the Bill Slee cup final, and two more finals follow on Friday.

CLYST VALLEY meet LYMPSTONE in the Grandisdon cup at Ottery (7.30 pm), and FENITON face KENTISBEARE in the Carlisle cup at Seaton (6.30 pm).

To follow that on Saturday is the Seaton Challenge cup final between SEATON TOWN on their own patch against HONITON, kick off is 3pm.

THE final game of the season brought a promotion decider at Jocelyn Park.

Hosts Chard Rangers were bidding to snatch the remaining promotion spot from under the noses of opponents, and long time favourites, HAWKCHURCH UNITED. Rangers, having won six on the trot needed one more victory while a point would be sufficient for Martin Bright's troops.

After stumbling towards the line in the last couple of defeats the Hawks returned to form at the perfect time.

The first half ended goal less but the Devonians made sure of no slips ups when skipper Andy Dymond slotted home the winner in the 76th minute.

Dymond and Gavin Herrod were Bright's top performers.

Unbeaten Upwoman off to flying start

**Week ending May 2nd**  
**Pool A:** Upwoman made it a hat-trick of wins with a 67-46 victory over Beer Blazers.

It was the Blazers' biggest defeat of the campaign despite good work from Alex Adkin. They were no match for the power of Upwoman for whom Andrea Britton turned in a fine display.

Otters were in strong form beating Sidmouth Toucans Old Birds 54-24 with Emily Vicary playing well, Vikki Russell had a fine game for Toucans.

Tip Top Trees held onto the second spot with a good 57-48 win against Otter Valley Dairy.

With Rachel Cavin playing well for Trees they overcame their small goal disadvantage to take an early lead and they never looked back, despite a fine effort for Sarah Broom for Otter Valley

Dairy. Meanwhile, Swagger Mamas went down 72-53 against Signs South West. It wasn't until the third quarter that SSW took the lead against the hard working Mamas for whom Mimi Khan played well.

The experience of SSW showed through and Debbie Wheeler was in fine form.

**Pool B:** Howden Hawks were up against Blackdown Ladies and started 20 goals adrift.

Although they worked hard, with Paige Faye doing especially well, the Ladies dug deep with Laura Parrett in fine form they held out to win 53-46.

Pixies started 12 up on JD Tyres and, with Asilah Jarrald leading the team well, they led 49-45 going into the final quarter. But Tanya Broom found extra

her shooting form and transformed defeat into a 57-55 victory.

## Honiton golfers enjoy successful charity day

LAST Thursday a charity golf day organised by St Michael's Church, West Hill, took place at Honiton Golf Club to raise money for Hospiscare.

Fifty-two players, in teams of four, played a 4BBB format with two scores to count.

Clear winners, with a magnificent score of 93 points,

were the team of James Leisk, Dale Morgan, Phil Reed & Jeff Lyon.

Many local businesses and individuals generously pro-

vided prizes, which, combined with the generosity of the players, led to an overall profit and donation to Hospiscare of £1006.

The day concluded with an excellent two-course meal provided by the Honiton Golf Club caterers.

The organisers would like to thank all those who helped to make this such a successful and worthwhile fund-raising event.

### Seniors Section

FIFTY EIGHT seniors played in the Anniversary Salver pairs competition on a wet course.

This year's winners were Bob Cockett & Peter Clarke, scoring 40 points.

In second place, with 39 points, were Alan Pollock & Tony Proudfoot, beating Mike Watts & Paul Ritchie on countback.

Third and fourth places had to be decided on the last three holes' score with Ron Rogers & Howard Clarke beating Den Calver & Brian Morrison after both pairs tied on 38 points.

### Ladies Section

Honiton Ladies played for the Medal Trophy in the most trying conditions - rain and some gale force gusts.

However, Su Calver valiantly battled the elements to win the Medal Trophy with a net 77 and Janet Hughes just missed out with a net 78.

Su also won the Silver Division with Janet Hughes coming second.

In Bronze 1 Division, Ann Desmoulins came first with a net 82.

In Bronze 2, Susan Hyde triumphed with a very respectable net 80.
